

## 2020 LEARNERSHIP & IN-SERVICE TRAINING OPPORTUNITY

*The SAPREF refinery, which is jointly owned by Shell Refining SA and BP Southern Africa, is the largest crude oil refinery in sub Saharan Africa and is home to some of the country's top petrochemical professions.*

SAPREF offers training opportunities for the below training programs:

- **Chemical Operations Learnership**
- **Analytical Chemistry In-service Training**
- **Chemical Engineering In-service Training**

### **Minimum Requirements:**

- South African citizenship
- Completed Grade 12 with a minimum pass of 50% in Mathematics and Physical Science
- Completed all modules in relevant s4 for the In-service Training opportunity

Selection is based primarily on academic merit. However, we look for well-rounded individuals who demonstrate potential to excel in other areas of their lives. Applicants will undergo a selection process, which includes medical assessments and panel interviews.

*Females are encouraged to apply.*

**Applicants must submit their CVs, Copy of ID and Academic records to [saprefapplication2020@tkresources.co.za](mailto:saprefapplication2020@tkresources.co.za) or drop your application off at the SAPREF checkpoint.**

**Employees children's applications should accompany the ffg BMS document:  
PEOPLE.SF.0130**

***Closing date: 14<sup>th</sup> October 2019***

If you do not receive a response from SAPREF within four weeks of the closing date, please consider your application as unsuccessful.
